

Resource One International, LLC, 2225 Bohm Drive, Little Chute, WI 54140
Web: <http://www.resoneint.com>
Office hours are 8:00 – 4:30 Monday through Friday. No phone calls please.

Are you interested in working for a growing organization? Do you like to be in control of your own progress within an organization? Would you like to work a variety of work schedules as you grow within the organization?

Does this sound like you? Then... We need you at Resource One!

We are looking to hire people who can **start at the bottom and grow** into machine operators and even team leaders!

Please come in and complete an application at your earliest convenience.

Cut-Size / Folio Operator

The Cut Size sheeter operator is responsible for operating the sheeter while making sure that the wrapper, case packer and utility operators are operating at a target level. This includes a safe line operation, a clean work area, product that meets customer quality expectations and overall leadership and co-ordination of team resources.

Specific Responsibilities

- Perform mechanical set-up of sheeter equipment to customer specifications.
- Perform and record required quality control checks.
- Trouble-shoot and perform minor repairs as required.
- Prepares required production reports.
- Provide support to team members on shift when needed.

Knowledge, Skills, Abilities

Must be self-motivated with the ability to work in a team environment. Good mechanical and math skills. Must be able to read detailed work instructions and perform/record precise quality control measurements. Must be able to lift 50 lbs. a number of times a day. Must be able to stand and work 8 or 12 hour shifts.
